## EDUCATION

### **SET Higher Secondary School, Erode— SSLC**

2016-2017

Percentage –73%

### **SHRI Amrita Higher Secondary School, Tirupattur— HSC**

2018-2019

Percentage –67%

### **Sacred Heart College, Tirupattur— Bachelor of Science**

2019-2022

Percentage –60%

## PROJECTS

### **Student Management (CRUD)—Built Using Python and Mysql**

Created a Student Management System for database - drive data retrieval in web browsers, featuring delete and update functionalities.

### **Institute Management System—Built With Python ,Django Project with MYSQL database, utilizing HTML, CSS, and DTL for front-end.**

Developed a student management system using Django framework, featuring registration and login pages for institute management. Admin privileges include CRUD operations for student details, employing the MVT design pattern with ORM for efficient database interaction. Utilized 7 HTML templates for UI design, navigation bar for easy traversal, and structure URLs and views for website functionality.

### **Sales Dashboard —Built Using Excel**

Sales Dashboard created in Excel for visualizing key sales metrics and performance insights.

## LANGUAGES

English, Tamil.

## SKILLS

Python

Django

MYSQL

HTML , CSS , JavaScript

Git and GitHub

Machine Learning

Problem Solving

## AREA OF INTEREST

Python Programming

Web Development

Software Development

Excel

## ADDITIONAL

Palle Technologies Certified Python Developer

Done Internship at Palle Technologies, Bangalore

I regularly engage in coding on platforms such as HackerRank and Leetcode.

## SOFT SKILLS

Punctuality

Leadership

Quick Learning
